Financial Report – Fall sport registrations are all similar to what they were last year at this time.

Softball – no report, everything went great

Soccer – first week of registration, so far 40 older children and 22 in the younger group

Tennis – Spring tennis ended, summer tennis just opened

Field Hockey – There are 56 registrations so far. There will be two 7/8 grade teams, one 5/6 grade team and one 2-4 grade team.

Football – There are 25 registered so far, registration will be open until Aug 15th. First game will be September 4th and practice starts August 10th.

Cheerleading – There are 40 registrations so far, season starts August 5th.

Basketball – No report

New Business –

- There was a question about the electric bill from JCPL. The usage is not making sense, the committee will need to follow up to see if there is anything in the building that is using electricity during off season.

Public Portion – Glenn Wilkinson inquired about a budget to give to the town for the resurfacing of the basketball courts. We would probably need to use open space money or grant money. There is not enough money in the recreation trust fund. The committee will contact the township to figure out where there may be money to be used for this.
